

Providing Critical Education Skills to Arkansas' Future

EVERFI's programs have contributed to more than 300,000 hours of innovative critical skills education for students through its digital learning platform. After using EVERFI resources, students are more confident and better equipped for success both in- and outside of the classroom. These resources are provided at no cost to schools and districts thanks to the support of EVERFI's partners.

Statewide Program Participation

Legislation/Initiatives and CTE Courses

Act 466/480 EVERFI's financial education/career readiness courses – *EVERFI High School Financial Literacy*, *Keys To Your Future*, and *Marketplaces: Investing Basics* cover all mandated standards.

Guide for L.I.F.E EVERFI's social/emotional learning and health & wellness courses can be used to supplement /direct instruction in all 5 principle areas.

Aligns to Standards in:
