<https://www.youtube.com/watch?v=oqzT7lXB408>
- EverFi Cost –Free Supplemental Curriculum
- iCev-online curriculum. Student license are not eligible for Perkins. Teacher license are allowable. *For 20-21, a grant was awarded to the South Central Service Cooperative to offer statewide resources for all districts to have access to student curriculum. Teachers’ licenses for teaching resources will have access with district funds or can apply for Perkins funds if it was not purchased by the district the previous year. Perkins does not allow student curriculum, so this provides student curriculum to districts for 20-21 school year through this grant.*
- Arkansas Career Development Association is housing updated project resources from ARCOTA under “Career Educators” for each course with the state standards and resources/activities -
<https://sites.google.com/site/acdamembers/home>
- Quest for Success - https://www.americaachievesednetworks.org/quest-for-success?mc_cid=96c2844168&mc_eid=673c28c627
